September 13, 2018

The meeting was held at the premises of VTŠ Niš. The representatives of partners P1, P2, P3, P4 and P5 have been presented at the meeting: Tijana Matejic, Dragana Vukovic, Dusan Markovic, Nebojsa Curcic, Marina Stamenkovic, Srdjan Simic, Milan Ivezic, Aleksandra Grujic, Bratimir Nesic, Branko Savic, Aleksandra Boricic, Dejan Blagojević, Boban Cvetanović, Milica Cvetković, Biljana Milutinović, Miloš Ristić, Jelena Bijeljić, Natalija Tošić, Petar Djekic, Anica Milošević, Slađana Nedeljković, Milan Pavlović, Jelena Petković, Nevena Nedeljković, Nenad Stojković and Slavimir Stošović. The meeting was realized in accordance with the proposed agenda.

After introductory speech, prof. Blagojević, informed all participants that the preparation of documentation for the final project report should be prepared in the upcoming period until 15.12.2018. Also prof Blagojevic presented all ongoing activities related to the WamPPP final meeting scheduled for 25-27th of September, 2018. During the final meeting, the archived WamPPP results will be presented as well as the promo film of the project that is being prepared.

Special attention Dr Dejan Blagojević directed to the work package WP 6, which deals with quality issues, as well as activities under this package.

Prof. Milica Cvetković gave an overview of activities 6.4. This activity relates on the analysis of students and company trainee's evaluation forms. Prof Milica Cvetković presented the elements of the evaluation forms and main results obtained during the analysis. She pointed out that generally students high rated all aspect of the teaching process. Similar concludes have been made for company trainee evaluation forms.

Dr. Petar Djekic presented the Report and the overview of realized trainings in the public-informal and private sector to the participants. Dr. Petar Đekić presented the realized trainings as well as the purpose and sustainability of the same. Of the 13 trainings that were completed, 8 were carried out in enterprises, while 5 were realized in the premises of the School and it is about training.

After that all representatives of the present partners, exchange their experiences and pointed out on problems they have been meet during realization of trainings. In conclusion, it was agreed that the results of the survey have to be used as a base for improvement of the training courses. Also. The conclusion of the discussion is that the training program has to be posted on the WamPPP site and that all partners have to put efforts to enable a sustainability of the training courses.

Then, Dr. Aleksandra Boričić informed the partners about the final activities of the WamPPP project. She then spoke about the organization of the final conference of the project, which was planned for 25.9.-27.9.2018. Dr. Aleksandra Boričić announced the importance of presence of
